RESPONSE TO RESTRICTION REQUIREMENT

MS Amendment Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Dear Madam:

In response to the restriction requirement set forth in the Office Action mailed April 10, 2009, Applicants hereby provisionally elect Species I: Fig. 3, claims 1-5 and 8-12 for continued examination.

The Examiner has required restriction between Species I - figure 3; Species II - figure 6; and Species III - figure 8. The Examiner states that the species are independent or distinct because claims to the different species recite the mutually exclusive characteristics of such species. In addition, these species are not obvious variants of each other based on the current record.

Please charge the extension fee of \$1,110.00 to Deposit Account No. 50-3537, under Order No. 22173-70311 from which the undersigned is authorized to draw.

Respectfully submitted,

Raymond J. Ho
